

# Aquionix

**Position:** Senior Environmental Consultant

**Company:** Aquionix, Inc.

**Location:** Denver, Colorado

**Travel:** Required (up to 50%)

**Description:** Aquionix, Inc. is seeking a full-time Senior Environmental Consultant with 5-10 years experience in the environmental field to join our growing Denver, Colorado office. The position will focus on the following:

- Environmental Management System Implementation
- General regulatory compliance assistance (CWA, RCRA, SPCC/FRP, EPCRA, CERCLA, UIC, CAA) and reporting (TRI, Tier II, IUR, DMR's)
- Water (groundwater, surface water, pre-treatment) program development and permitting
- Development of SPCC and Facility Response Plans
- Development of Quality Assurance Programs

**Education:** A bachelor degree in engineering, chemistry, environmental science, or a related field is required. A master's degree in a related field is preferred.

**Experience:** The successful candidate will have 5-10 years experience in the field of environmental compliance. The candidate must be proficient with Microsoft software including Word, Excel, PowerPoint and Outlook.

The preferred candidate will also have experience in one or more of the following areas:

- Geology/Hydrogeology
- Reclamation (permitting)
- Surface and underground mining activities
- Oil and gas exploration and development

Candidates that possess a Professional Engineering License, or have the potential of obtaining such license within one year of employment, will be given preference.

**Attributes:** The successful candidate will be a self-motivated, detail oriented, creative/flexible problem solver with the ability to successfully manage projects to completion. The successful candidate will also possess excellent oral and written communication skills and be able to interact with a large variety of clientele.

**Benefits:** Aquionix, Inc. offers an excellent benefits package including health insurance, a retirement plan, and a flexible work schedule.

**Salary:** Salary will be commensurate with experience.
